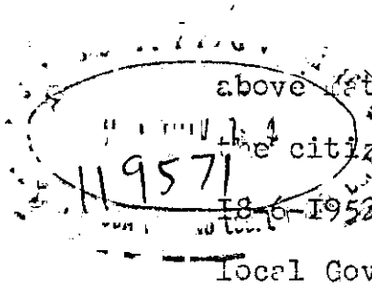
Dear Sir,

Subject: Dental Clinic- Govt. Hospital,
Karkala- Working Hours.



I am really sorry I have to trouble you again in the above matter. It is now nearly one year and six months since the citizens of Karkala presented a memorandum to you dated I8-6-I953 for extending the hours of the dental clinic in the local Govt. Hospital. So far practically nothing has been done in this direction in spite of our repeated reminders. A Govt. Memo No.37I83-HII/54 dated I9-4-'54 addressed to me by the Asst. Secretary to the Health Department stated that "instructions have already been issued to keep the dental clinic in the Govt. Hospital, Karkala open for longer hours in view of its popularity". It is a matter of regret that no instructions have so far been received at the local Govt. Hospital up to this date. I would like to inform you in this connection that the Local Advisory Committee of the Hospital of which I am a member unanimously passed a resolution on 20-9-'54 requesting the Govt. to give effect to the order contained in the Govt. memo dated I9-4-'54 referred to above. There has been no response from the Govt. even to this representation. And my reminder dated the 5th July,I954 to the Asst. Secretary, Health Department still remains without a reply.

You are aware that the local Hospital has now been taken up for improvement by the Community Projects Department and a substantial sum has been sanctioned by them for the efficient administration of the Hospital as a Secondary Health Centre. It is therefore in the fitness of things that in keeping with the improvements proposed and already sanctioned for the Hospital, the dental clinic attached to the hospital, fully equipped as it is, should be kept open for longer hours so that the provin-

35

public of the town and the surrounding villages may take full advantage of the facilities provided in the Hospital.

I therefore earnestly request you on behalf of the citizens of Karkala to be kind enough to issue the necessary orders without any further delay for implementing the Govt. Order contained in their memo dated 19-4-'54 (a copy of which is enclosed herewith for your ready reference) 6 Encls

Thanking you,

Yours faithfully,

Dear Shri Shetty,

On behalf of myself and the citizens of Karkala, I take this opportunity to convey to you our deep gratitude and appreciation for extending the working hours in the Dental Clinic of the local Hospital from one hour daily to three hours as from this month. It is indeed a tribute to the broad-minded policy of your Ministry that a long-felt need of the citizens of this place has been adequately met by the new arrangement.

I have no doubt that the Clinic which is already very popular is bound to be of immense service to the public now that its working hours have been duly extended.

Please accept our sincere thanks and oblige.

Govt.Hospital, Karkala - Dental dept. - working hours.

...

In the Govt. Hospital, Karkala, S.Kanara Dt., Dr.K.G.Kamath, Dental Surgeon, is in charge of the Dental dept. He is a part-time Dentist and is not receiving any honorarium. The Dental clinic in the hospital is said to be popular. In June 1953 the citizens of Karkala submitted a petition to Govt. requesting that the dental clinic in the hospital might work for at least 3 hours a day. In Nov. 1953 the D.M.S. reported that instructions were issued to the Hony.Dentist to work for longer hours in view of the popularity of the Dental Clinic. Dr.Kamath, the Part-time Dentist of the hospital has stated that he is prepared to work for 3 hours a day in the hospital only if he is given an honorarium of Rs.100/-p.m. The request of Dr.Kamath for the payment of honorarium has been negatived already.

2 Sri R.H.Shenoy President of the Panchayat Board, Karkala has again requested that instructions may be issued for working the Dental clinic in the hospital at Karkala for 3 hours a day. The Dentist attached to the clinic is not willing to work for longer hours unless he is paid an honorarium of Rs.100/- p.m. Only recently Dr.Kamath has been reappointed as a Part-time Dentist in the hospital for for a period of two years from 1-6-54.

3 It is for consideration whether an honorarium may be paid to Dr.Kamath for working the Dental Clinic for 3 hours a day and if not whether he may be replaced by another Dentist who is willing to work for 3 hours a day without any honorarium. For orders.

The case may be circulated to M(H) with ref: to his minute on p/b ~~ccf.~~

Please put up the recent papers containing the names of hospitals having dental clinics and the rate of honoraria allowed to the honorary dentists.

The information required is on pp 1-2 cf. G.O. No. 2816 Health of 16.X.54.

A overleaf. The other applicants have their places of residence in Travancore. It does not appear that anyone will be willing to work at Kankale without any honorarium.

It is seen from the list at pages 1-2 of the G.O. 2814 Health of 16-10-54 that (F) part-time Dentists working in other hospitals in the State are allowed honoraria ranging from Rs 100 to Rs 150 p.m.

Perhaps Dr. Kamath may be allowed an honorarium of Rs 100 p.m. and asked to work for three days a day at the Govt. Hospital, Kankal.
